Program Objectives

Foundational Literacy

Build a strong base in Hindi alphabets, vocabulary, and grammar.

Functional Communication

Develop listening, speaking, reading, and writing skills essential for everyday use.

Cultural Awareness

Introduce students to Hindi literature, traditions, and cultural nuances.

Fluency and Expression

Enhance expressive abilities for presentations, storytelling, and debate.

Overall Development

Foster critical thinking and creativity through language practice in varied contexts.

Module Breakdown

Module 1 & 2

Introduction and Fundamentals (Months 1-2)

Alphabets & Pronunciation

Learn Hindi vowels (स्वर) and consonants (व्यंजन).

Master correct articulation, intonation, and phonetics.

Basic Vocabulary & Greetings

Common words, simple phrases, and everyday expressions.

Introducing standard greetings and simple self-introductions.

Writing Basics

Formation of letters and simple words using proper stroke order.

Exercises on handwriting and neat script.

Listening & Speaking

Basic listening exercises through audio recordings.

Simple conversational practice with a focus on pronunciation.

Cultural Introduction

Overview of Hindi's cultural context and role in literature and media.

Module 3 & 4

Building Blocks and Grammar Essentials (Months 3–4)

Vocabulary Expansion

Thematic vocabulary (family, school, food, nature) and context usage.

Writing Sentences & Paragraphs

Constructing simple sentences and short descriptive paragraphs.

Interactive Speaking

Role-playing common scenarios and practicing daily dialogues.

Grammar Fundamentals

Basic sentence structure, nouns, pronouns, adjectives, and verbs.

Introduction to gender and number agreements.

Reading and Comprehension

Reading short paragraphs, folk tales, or simple narratives.

Identification of key ideas and themes.

Module 5 & 6

Intermediate Skills and Communication (Months 5–6)

1

Enhanced Grammar

Introduction to tenses, simple sentence transformations, and conjunctions.

Use of adverbs and prepositions in context.

2

Fluency in Speaking

Guided group discussions and pronunciation drills.

Practice in reciting short poems or rhymes.

3

Structured Reading

Reading comprehension exercises featuring short stories and news excerpts in Hindi.

4

Creative Writing Practice

Writing short compositions, letters, and diary entries.

5

Listening Comprehension

Audio-visual aids such as children's stories, interviews, or dramatized dialogues.

Module 7 & 8

Advanced Grammar and Complex Expressions (Months 7–8)

Complex Sentence Structures

In-depth exploration of compound and complex sentences.

Introduction to idiomatic expressions and proverbs.

Reading Literature

Exposure to folk literature, short stories, and excerpts from classical texts.

Analyzing main ideas, moral lessons, and character studies.

Writing Skills

Composing essays, creative narratives, and opinion pieces.

Focus on coherence, structure, and language style.

Advanced Vocabulary

Thematic units (science, environment, culture) with context-based learning.

Listening & Interactive Sessions

Audio clips from native speakers; discussions and Q&A sessions to enhance comprehension.

Advanced conversational practice, including debates and role-plays.

Module 9 & 10

Mastery and Practical Application (Months 9–10)

Language in Context

Critical reading of newspaper articles, editorials, and modern literature.

Discussions on current issues and cultural topics.

Advanced Writing Techniques

Crafting persuasive essays, analytical reports, and creative stories.

Editing, proofreading, and self-evaluation strategies.

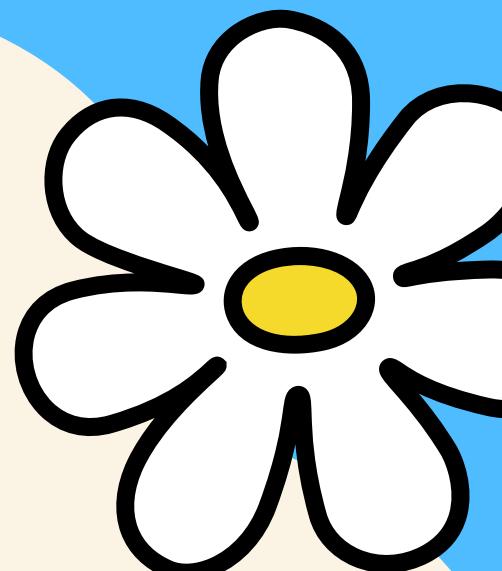

Listening Workshops

Advanced listening exercises using podcasts, interviews, and cultural documentaries.

Oral Communication

Presentations, public speaking exercises, and group projects.

Emphasis on intonation, argumentation, and articulate expression.

Project-Based Learning

Collaborative projects such as organizing a short play, reciting famous speeches, or creating digital content in Hindi.

Module 11

Consolidation and Personal Expression (Month 11)

Review and Reinforcement

Comprehensive review of grammar, vocabulary, and conversational practice.

Personalized Writing and Speaking

One-on-one sessions focusing on individual strengths and areas for improvement.

Creative Projects

Students create a portfolio that includes essays, recordings of spoken presentations, or creative stories.

Feedback and Assessment

Formative assessments and peer reviews to build self-confidence and proficiency.

+91 78997 05910

Module 12

Evaluation and Future Directions (Month 12)

Final Assessment

Comprehensive exam covering reading, writing, listening, and speaking.

Oral and written exams conducted by faculty.

Future Learning Pathways

Guidance on advanced Hindi literature and professional language courses.

Recommendations for continued self-study and improvement.

Future Learning Pathways

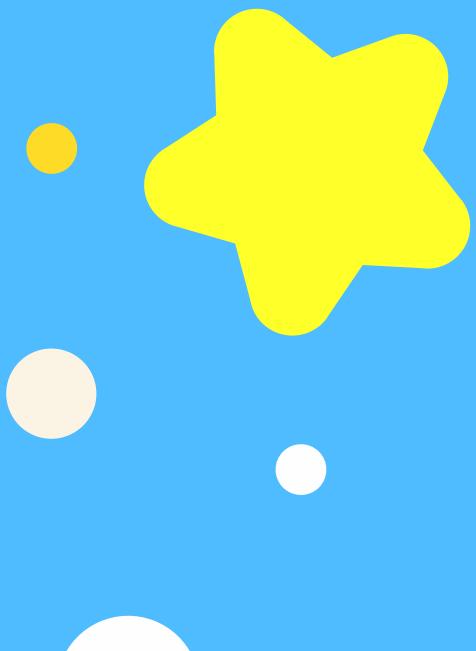

Guidance on advanced Hindi literature and professional language courses.

Recommendations for continued self-study and improvement.

Course Wrap-Up and Certification

Feedback session, Q&A, and distribution of course completion certificates.

Discussion on applying language skills in academic and professional settings.

Course Outcomes

By the end of this 12-month program, students will be able to:

Read

Comprehend diverse texts ranging from simple narratives to advanced literature.

Write

Produce clear, coherent, and stylistically rich written texts for various contexts.

Listen

Understand native-level spoken Hindi, including accents, idioms, and nuanced expressions.

+91 99009 01923
+91 78997 05910

Speak

Confidently engage in conversations, articulate opinions, and present information effectively.

Cultural Literacy

Appreciate the rich cultural heritage of the Hindi language through literature and media.
